Dear Harry Lark: —

So far, no letter to-day. Alright for you, hubby! Wait until I come down. Even if you were busy, you could write me a few lines, anyway. I wish you could send me word! Talk about wrecked! Am packing.

I will have all the news when I see you. Am enclosing another clipping from this afternoon's journal. Sank class to your wife eh?. Believe me, I made sure that you were a lawyer not a marine.

With all my love, hugs & kisses, 2 more days & I start. Are you 'appy?

Everlasting

Frances.
